CHICAGO FED OPPORTUNITIES

INTERNSHIPS
• If you are interested in an internship at the Chicago Fed, please send your resume (and cover letter, if you would like) as an email attachment to Anna.Fuentes@chi.frb.org by Friday, January 9, 2015. Anna will respond to your email submission just to confirm that your information was received.
• Indicate in your email whether you are interested only in an internship in the Economic Research Department or if you would like to be considered for an internship in all areas of the Chicago Fed.
• Use “AEA program participant internship application” as the subject of your email.
• If you have any questions, contact Loretta Ardaugh at Loretta.Ardaugh@chi.frb.org.

FELLOWSHIPS
• The Chicago Fed participates in the AEA’s CSWEP and CSMGEP Summer Economics Fellow Programs. Please follow their application process.
• Indicate an interest in the Chicago Fed in the application materials.

ASSOCIATE ECONOMIST POSITIONS
• Recruiting for associate economist positions begins in November. Please watch our website for the posting to show up and follow the application instructions.
• Currently, postings are at http://www.chicagofed.org/webpages/people/jobs/apply.cfm. If that link changes between now and November, click on Careers at www.chicagofed.org.
• Other Feds also have associate economist/research assistant positions – check their websites too. Links are available at http://www.federalreserve.gov/otherfrb.htm.
