The Department of Economics at Colorado State University invites applications for a full-time, tenure-track, entry-level Assistant Professor position in Applied Macroeconomics. The successful candidate will be expected to teach macroeconomics at the graduate level. We are particularly interested in candidates with a focus in environmental economics, environmental aspects of economic development, and sustainability. The ability to provide support in the graduate econometrics sequence is desirable. An interest in obtaining external funding is encouraged. Ph.D. must be completed by the time the appointment begins on 16 August 2013. Tenure requires both scholarly accomplishment and excellence in teaching.

To assure full consideration, application materials must be received by Friday 30 November 2012; however, applications may be accepted until the position is filled. This is an open search: once the search committee has identified semi-finalists, departmental faculty will have access to those files. References may be contacted at the finalist stage.

CONTACT: Please submit a cover letter describing your interest in the position, CV, statements of research and teaching interests, job market paper and three confidential letters of recommendation. Electronic submissions are preferred and can be sent to macroeconsearch@colostate.edu. Alternatively, mail to: Chair of Macro Search Committee, Department of Economics, CSU, 1771 Campus Delivery, Fort Collins, CO 80523-1771. Colorado State is an EO/EA/AA employer. Colorado State University conducts background checks on all final candidates.
