ndp|analytics is an economic research firm that specializes in data-driven analysis and expert advisory services on public policy and legal issues. Our firm supports and advises organizations in advocacy, government and industry relations, public affairs campaigns, and other strategic initiatives. Our work has been cited in the 2011 Economic of Report of the President to the Congress, the media, reports from government agencies, Congressional testimonies, and by Congressional leaders. Clients of ndp|analytics include U.S. and foreign corporations, financial institutions, law firms, trade associations, and multilateral organizations.

We are currently seeking full-time and part-time Senior Analysts to join our team. In this role, you will work closely with PhD economists to build and analyze original data sets, conduct empirical research and policy analysis, and produce analytical reports for clients.

**Responsibilities include:**

- Searching, collecting, and organizing economic and financial data
- Analyzing data and authoring policy reports or advocacy papers
- Reviewing and synthesizing academic literature, trade publications, and government reports
- Conducting industry research on regulation, market impacts, and
- Strategic planning and management of research projects

**Qualifications:**

- Must have legal status to work in the U.S.
- Master’s or Ph.D. degree in economics, public policy, or related field
- 4-6 years of experience writing and editing reports or white papers
- Familiarity with data sources such as Census, BLS, BEA, FRED, World Bank, and IMF
- Excellent communication, organizational, research, and interpersonal skills
- Passion for analyzing the impacts of government regulations
- Meticulous attention to details
- Expertise in Microsoft Office, Microsoft Excel, STATA, SAS, and eViews
- Self-starter who possesses creativity and a strong entrepreneurial spirit

Qualified applicants should submit a cover letter, resume, and one writing sample to Timothy Shoji [tshoji1@jhu.edu] and cc Justin Badlam [justinbadlam@ndpanalytics.com] by 8/30/2013. Top candidates will be contacted for interviews.

No phone calls please.
