Graduate Student Academic Year Workshop

Fridays from 3-4:15pm in Nelson 4210.

To sign up for a slot, please email Prof. Melinda Morrill (melinda_morrill@ncsu.edu) with your preferred date(s), the type of presentation (30 minute or 1 hour 15 minute), your main advisor(s), and your title/topic. The schedule will be posted at (http://www4.ncsu.edu/~msmorril/NCSU_GradWorkshop.html) and will be updated continuously.

Graduate students are encouraged to present work at any stage. For very early-stage work, students should elect for 30 minute slots. The 1 hour 15 minute slots are reserved for work that is closer to completion. For either type of workshop, students are required to prepare slides and a formal presentation.
Students must register for a slot at least two weeks in advance so that the classroom can be reserved. Prior to signing up for a slot, students should consult with at least one faculty member.
Students are responsible for making sure their main advisor and at least one other faculty member in their area of interest are available and willing to attend *prior* to requesting a date.
A schedule of all student presentations will be posted. Students presenting should send out one email advertising their talk about 4 days in advance. The email should be sent to graduate
students and faculty members in the Economics and ARE departments.

**The Tree Seminar Series**

Spring 2013 Triangle Resource and Environmental Economics (TREE) seminars are as follows:

Thursday, May 2, 2013, Ragnar Tveteras, University of Stavanger

Ragnar Tveterås of the University of Stavanger will be presenting, "Satisfying the World’s Demand for Marine Proteins: Innovation, Productivity and Growth in Global Aquaculture." The seminar begins at 3:15 and is being held in Bldg O9, Room 137, RTI. A map can be found on the CEnREP website:  
http://www.ncsu.edu/cenrep/workshops/TREE/index.php

All seminars are at 3:15 on the RTI campus. Papers and further details on each seminar will be disseminated closer to the seminar dates. Please contact Roger von Haefen (rhaefen@ncsu.edu) or Marty Smith (marsmith@duke.edu) if you have any questions.
coordinated by Dan Phaneuf, CEnREP Associate Director, George Van Houtven of RTI International, and Marty Smith of Duke University.

WARNING ABOUT SECURITY PROCEDURES AT RTI! The gates at the two main entrances are working 24/7 (instead of just after office hours). Visitors should use the intercom at the gate and tell the security person they are at RTI for the TREE seminar. That should be enough to get them inside the campus and from there everything should be business as usual. If there are any problems at the gate, visitors should ask for Melissa Jessup (x7137) or for George Van Houtven (x7150).
