NC State’s Venture Pitch Competition

April 16, 2010, 2 to 4 p.m.
NC State University, Nelson Hall, Room 2405

The NC State Venture Pitch Competition provides a platform for all NC State students with dreams and ideas for starting businesses and organizations. It also trains and prepares them to present those ideas confidently and effectively to the finance community. Entrants will submit their Executive Summary and Presentation Slide Deck. From all entrants, six semi-finalists are selected by a committee of entrepreneurs and investors to move on to the Semi-Final Round. The six semi-finalists then present to a panel of investors. Presenters are allowed 10 minutes to deliver their pitch, followed by 20 minutes of Q&A from the panel. The panel selects the final three (3) concepts to move forward to the final round. Finalists of the 2010 NC State Venture Pitch Competition will have additional opportunities to engage with our community of investors and entrepreneurs.
