

## Poole Undergraduate Courses - Remote Option Fall 2020

This sheet lists all Hybrid and Face to Face classes in Poole College for Fall 2020 and indicates which courses can be taken remotely.

Taking these courses REMOTELY means that in most cases a student will have access to the classroom lecture captures and the ability to do assignments and assessments remotely.

These courses are NOT DESIGNATED AS ONLINE. They are face to face and hybrid courses that can be taken remotely. The remote option is available for students who are unable or unwilling to attend a live class.

**Students must contact their instructors to establish exact expectations for each course.**
