Academic Regalia

The bachelor's degree graduates are wearing a "Wolfpack Red" cap and gown, a tradition that began in 2010.

The master's and doctoral graduates are wearing the traditional black cap and gown and a colored hood. Of all the components of the academic costume, the hood is most symbolic. The hood's coloring and size represent the level and subject of degree earned, as well as the institution from which it was awarded. The hood has colors on it in two different places. On one side of the hood there are patches of velvet, and on the other side there are large patches of silk. The silk patches are the colors of the institution that gave the degree. The velvet indicates the area of study.

Faculty typically wear the regalia of the institution from which they earned their highest degree.

The graduates wear a cap or "mortar board" with a tassel. The tassels for the PhD degree are gold, and those for other graduate and professional degrees may correspond to the trimmings on the hoods.

The stoles and cords represent a rich variety of honors and associations in which the graduates have participated during their time at North Carolina State University.

Undergraduate honors are designated by stoles in the following colors:

White	* Cum Laude	GPA of 3.250 through 3.499
Silver	** Magna Cum Laude	GPA of 3.500 through 3.749
Gold	*** Summa Cum Laude	GPA of 3.750 and above

Welcome from the Dean

Dear Graduates:

On behalf of the NC State Poole College of Management faculty and staff, congratulations to you on this achievement! I also congratulate your family members and friends who supported and encouraged you along the way. One of the greatest rewards of serving as your dean is to see your personal and professional development culminate in you being a confident, career-ready graduate. I also look forward to staying connected with you and learning about your next steps as you apply what you've learned during your time here at NC State.

I am grateful to be part of a college community where our students, alumni, faculty, staff, employers and friends work tirelessly to think beyond traditional boundaries and to do the extraordinary. You are an important part of that community and are making it possible for us to continue raising the bar for management education at NC State – thank you!

All of us at the Poole College of Management send our best wishes for a bright future.

A handwritten signature in black ink that reads "Annette L. Ranft". The signature is written in a cursive, flowing style.

The Poole College of Management Story

poole.ncsu.edu

At the Poole College of Management, we instill an entrepreneurial mindset in all our students, so that each of them will bring creative and innovative thinking to bear on business problems. We build analytical skills into every program, so graduates leave here ready to lead — whether in a two-person tech startup or a Fortune 500 boardroom. We're also deeply rooted in NC State's history as a university that excels at science, technology, engineering and math. The result: a dynamic research and learning environment for our students and our partners in business and industry.

The Poole College of Management was founded in 1992 as NC State's first College of Management. The college is fully accredited by the AACSB. The strength and relevance of the college's programs have led to three landmark gifts: Jenkins Graduate School of Management 2007 (Benjamin P. Jenkins III); Poole College of Management 2010 (Lonnie C. Poole Jr.); Zelnak Dean's Chair 2014 (Stephen P. Zelnak Jr.).

The Campaign for NC State

North Carolina State University Alma Mater

Words by: Alvin M. Fountain, '23

Where the winds of Dixie softly blow
o'er the fields of Caroline,

There stands ever cherished NC State,
as thy honored shrine.

So lift your voices; Loudly sing
from hill to oceanside!

Our hearts ever hold you, NC State
in the folds of our love and pride.

Congratulations Graduates!

Thank you to the Poole College of Management undergraduate students serving as Commencement Marshals in today's ceremony. These students are wearing black robes.

A special thanks to Head Marshals Christine Johnson and Sydney Hales.

All graduates are considered candidates for graduation until final graduation clearance is completed on June 12, 2018. Diplomas will be mailed to graduates by the NC State Office of Registration and Records after June 22, 2018.
