Welcome from the Dean

Dear Graduates:

On behalf of the NC State Poole College of Management faculty and staff, congratulations to you on this achievement! I also congratulate your family members and friends who supported and encouraged you along the way.

Our top priority as a college of management is the success of our students. We aim to attract, educate and prepare you, our talented and diverse student body, to make meaningful contributions in your chosen fields.

I look forward to staying connected with you and learning about your next steps as you apply what you've learned during your time here at NC State.

I am grateful to be part of a college community that celebrates excellence, innovation, inclusion, ethical decision-making — and works tirelessly to think beyond traditional boundaries and to do the extraordinary. You are an important part of that community and are making it possible for us to continue raising the bar for management education at NC State – thank you!

All of us at the Poole College of Management send our best wishes for a bright future.

Academic Regalia

The bachelor's degree graduates typically wear a "Wolfpack Red" cap and gown, a tradition that began in 2010.

The master's and doctoral graduates typically wear a traditional black cap and gown and a colored hood. Of all the components of the academic costume, the hood is most symbolic. The hood's coloring and size represent the level and subject of degree earned, as well as the institution from which it was awarded. The hood has colors on it in two different places. On one side of the hood there are patches of velvet, and on the other side there are large patches of silk. The silk patches are the colors of the institution that gave the degree. The velvet indicates the area of study.

Faculty typically wear the regalia of the institution from which they earned their highest degree.

The graduates typically wear a cap or "mortar board" with a tassel. The tassels for the PhD degree are gold, and those for other graduate and professional degrees may correspond to the trimmings on the hoods.

The stoles and cords represent a rich variety of honors and associations in which the graduates have participated during their time at North Carolina State University.

Undergraduate honors are designated by stoles in the following colors:

White	* Cum Laude	GPA of 3.250 through 3.499
Silver	** Magna Cum Laude	GPA of 3.500 through 3.749
Gold	*** Summa Cum Laude	GPA of 3.750 and above

Address to Fellow Alumni

Brian Sytsma '20, B.S. Business Administration

During his time at NC State, Brian Sytsma was an Entrepreneurship Clinic mentee and served as an admissions liaison for the Poole Global Corps. He was also the recipient of the East Campus Resident Advisor of the Year Award during his first year as a residential advisor.

Since graduating in 2020, Sytsma is now a mentor for the Entrepreneurship Clinic and runs a wealth management practice that is strategically partnered with Northwest Mutual where he directs their internship program. He looks forward to giving back to the community at Poole that shaped his current career.

Jeannien Beth Englebrecht '21, MBA

Jeannien Beth Englebrecht was involved in the Graduate Student Association, Jenkins Women's Club and the McLauchlan Leadership Fellows as well as serving as a senior manager in technology strategy at Express Scripts.

Following graduation, she intends to continue her education to generate new ideas and perspectives in her professional career. Englebrecht and her husband are currently analyzing consumer demands and product opportunities in hopes of pursuing a small business, something she feels confident doing as a result of her Jenkins MBA experience.
