Academic Regalia

The bachelor's degree graduates typically wear a "Wolfpack Red" cap and gown, a tradition that began in 2010.

The master's and doctoral graduates typically wear a traditional black cap and gown and a colored hood. Of all the components of the academic costume, the hood is most symbolic. The hood's coloring and size represent the level and subject of degree earned, as well as the institution from which it was awarded. The hood has colors on it in two different places. On one side of the hood there are patches of velvet, and on the other side there are large patches of silk. The silk patches are the colors of the institution that gave the degree. The velvet indicates the area of study.

Faculty typically wear the regalia of the institution from which they earned their highest degree.

The graduates typically wear a cap or "mortar board" with a tassel. The tassels for the PhD degree are gold, and those for other graduate and professional degrees may correspond to the trimmings on the hoods.

The stoles and cords represent a rich variety of honors and associations in which the graduates have participated during their time at North Carolina State University.

Undergraduate honors are designated by stoles in the following colors:

White	* Cum Laude	GPA of 3.250 through 3.499
Silver	** Magna Cum Laude	GPA of 3.500 through 3.749
Gold	*** Summa Cum Laude	GPA of 3.750 and above

Address to Fellow Alumni

The Poole College of Management Story

poole.ncsu.edu

At the Poole College of Management, we instill an entrepreneurial mindset in all our students, so that each of them will bring creative and innovative thinking to bear on business problems. We build analytical skills into every program, so graduates leave here ready to lead — whether in a two-person tech startup or a Fortune 500 boardroom. We're also deeply rooted in NC State's history as a university that excels at science, technology, engineering and math. The result: a dynamic research and learning environment for our students and our partners in business and industry.

The Poole College of Management was founded in 1992 as NC State's first College of Management. The college is fully accredited by the AACSB. Poole Jr.); Zelnak Dean's Chair 2014 (Stephen P. Zelnak Jr.).

North Carolina State University Alma Mater

Words by Alvin M. Fountain, Class of 1923
Music by Bonnie F. Norris Jr., Class of 1923

Where the Southern winds softly blow
O'er the fields of Caroline,

There stands ever cherished, N.C. State,
as thy honored shrine.

So lift your voices! Loudly sing,
From hill to oceanside!

Our hearts ever hold you, N.C. State –
In the folds
Of our love and pride.

Congratulations, Graduates!

All December 2022 graduates are considered candidates for graduation until final graduation clearance is completed on January 17, 2023. Diplomas and diploma covers will be mailed to graduates by the NC State Office of Registration and Records during the last week of January 2023.
