Welcome from the Dean

Dear Graduates:

On behalf of the NC State Poole College of Management faculty and staff, congratulations to you on this achievement! I also congratulate your family members and friends who supported and encouraged you along the way.

Our top priority as a college of management is the success of our students. We aim to attract, educate and prepare you, our talented and diverse student body, to make meaningful contributions in your chosen fields.

I look forward to staying connected with you and learning about your next steps as you apply what you've learned during your time here at NC State.

I am grateful to be part of a college community that celebrates excellence, innovation, inclusion, ethical decision-making — and works tirelessly to think beyond traditional boundaries to do the extraordinary. You are an important part of that community and are making it possible for us to continue raising the bar for management education at NC State – thank you!

All of us at the Poole College of Management send our best wishes for a bright future.

Academic Regalia

The bachelor's degree graduates typically wear a "Wolfpack Red" cap and gown, a tradition that began in 2010.

The master's and doctoral graduates typically wear a traditional black cap and gown and a colored hood. Of all the components of the academic costume, the hood is most symbolic. The hood's coloring and size represent the level and subject of degree earned, as well as the institution from which it was awarded. The hood has colors on it in two different places. On one side of the hood there are patches of velvet, and on the other side there are large patches of silk. The silk patches are the colors of the institution that gave the degree. The velvet indicates the area of study.

Faculty typically wear the regalia of the institution from which they earned their highest degree.

The graduates typically wear a cap or "mortar board" with a tassel. The tassels for the PhD degree are gold, and those for other graduate and professional degrees may correspond to the trimmings on the hoods.

The stoles and cords represent a rich variety of honors and associations in which the graduates have participated during their time at North Carolina State University.

Undergraduate honors are designated by stoles in the following colors:

White	* Cum Laude	GPA of 3.250 through 3.499
Silver	** Magna Cum Laude	GPA of 3.500 through 3.749
Gold	*** Summa Cum Laude	GPA of 3.750 and above

Address to Fellow Alumni

Thomas Prince '22,

B.S. Business Administration, B.S. Accounting

Thomas Prince, the Raleigh native, was involved in the Finance Club, Beta Gamma Sigma Honors Society and Phi Kappa Phi Honors Society during his time at Poole. Prince also served as the president, managing director and, eventually, senior vice president of strategy of Bell Tower Capital Management, an undergraduate student-managed investment fund at NC State.

Prince held various internship and assistant positions during his academic career including teaching assistant for MIE 305, Legal and Regulatory Environment; corporate banking summer analyst with Regions Bank in Charlotte, investment intern with the NC State Office of Investments; and a finance intern with Capital Investment Companies in Raleigh.

Following graduation, Prince will be headed to Charlotte returning to Regions Bank full-time as a corporate investment banking analyst in their diversified industries coverage group.

Commencement Speaker

Bryan Riggsbee '94,

Chief Financial Officer, Myriad Genetics

Bryan Riggsbee joined Myriad Genetics, a molecular diagnostics company, in 2014 to assist the organization in continuously working towards understanding the role that genes and proteins play in the onset, progression and treatment of diseases. Prior to this role, he served 10 years with Laboratory Corporation of America (LabCorp) where his most recent position was as senior vice president of Corporate Finance with responsibility for the financial planning and analysis and treasury functions.

Riggsbee received his Bachelor of Arts in accounting from Poole in 1994 and a Bachelor of Arts in political science from the University of North Carolina at Chapel Hill. Additionally, he earned a Master of Business Administration from Northwestern University. Riggsbee is also a certified public accountant in the state of North Carolina.

Riggsbee is no stranger to the stage at Poole College as he was a featured guest in an installment of the Wells Fargo Executive Leadership Series where he discussed his time at NC State and how it prepared him for his career and leadership roles.

The Poole College of Management Story

poole.ncsu.edu

At the Poole College of Management, we instill an entrepreneurial mindset in all our students, so that each of them will bring creative and innovative thinking to bear on business problems. We build analytical skills into every program, so graduates leave here ready to lead — whether in a two-person tech startup or a Fortune 500 boardroom. We're also deeply rooted in NC State's history as a university that excels at science, technology, engineering and math. Words by: Alvin M. Fountain, Class of 1923

Music by: Bonnie F. Norris Jr., Class of 1923

Where the Southern winds softly blow
o'er the fields of Caroline,

There stands ever cherished NC State,
as thy honored shrine.

So lift your voices; Loudly sing
from hill to oceanside!

Our hearts ever hold you, NC State
in the folds of our love and pride.

Congratulations, Graduates!
