Welcome from the Dean

Dear Graduates:

On behalf of the NC State Poole College of Management faculty and staff, congratulations to you on this achievement! I also congratulate your family members and friends who supported and encouraged you along the way.

Our top priority as a college of management is the success of our students. We aim to attract, educate and prepare you, our talented and diverse student body, to make meaningful contributions in your chosen fields.

I look forward to staying connected with you and learning about your next steps as you apply what you've learned during your time here at NC State.

I am grateful to be part of an exceptional college community that celebrates excellence, innovation, inclusion, ethical decision-making – and works tirelessly to think beyond traditional boundaries to do the extraordinary. You are an important part of that community and are making it possible for us to continue raising the bar for management education at NC State – thank you!

All of us at the Poole College of Management send our best wishes for a bright future.

Academic Regalia

The bachelor's degree graduates typically wear a "Wolfpack Red" cap and gown, a tradition that began in 2010.

The master's and doctoral graduates typically wear a traditional black cap and gown and a colored hood. Of all the components of the academic costume, the hood is most symbolic. The hood's coloring and size represent the level and subject of degree earned, as well as the institution from which it was awarded. The hood has colors on it in two different places. On one side of the hood there are patches of velvet, and on the other side there are large patches of silk. The silk patches are the colors of the institution that gave the degree. The velvet indicates the area of study.

Faculty typically wear the regalia of the institution from which they earned their highest degree.

The graduates typically wear a cap or "mortar board" with a tassel. The tassels for the PhD degree are gold, and those for other graduate and professional degrees may correspond to the trimmings on the hoods.

The stoles and cords represent a rich variety of honors and associations in which the graduates have participated during their time at North Carolina State University.

Undergraduate honors are designated by stoles in the following colors:

White	* Cum Laude	GPA of 3.250 through 3.499
Silver	** Magna Cum Laude	GPA of 3.500 through 3.749
Gold	*** Summa Cum Laude	GPA of 3.750 and above

Address to Fellow Graduates

Michelle McMorris, Class of '24 BS in Business Administration

During her time at NC State, Michelle McMorris considered majoring in accounting and explored several other concentrations within the Business Administration degree before ultimately landing on finance. She has been actively involved in the Poole Peer Leaders organization, serving as a student leader in the M100 course. Through this experience, she was able to mentor and build relationships with first-year and transfer students. Michelle has also been involved with KPACK, NC State's K-pop Dance Group, and the Filipino American Student Association's dance team. She played the French horn in high school and was able to pick this talent back up to participate in the Department of Performing Arts and Technology's symphonic concert band.

Michelle interned with The Bancorp in Morrisville, North Carolina, as the company's Commercial Lending Intern in summer 2024. In this role, she gained a wealth of financial experience, working on annual reviews for accounts up to one million dollars, developed standardization processes, performed background checks and analyzed and prepared financial documents. Her most memorable experience at NC State was rushing the field after the Wolfpack football team beat the North Carolina Tar Heels at Carter-Finley Stadium during her freshman year. After graduation, Michelle will be seeking employment in the field of business administration or finance.

The Poole College of Management Story

poole.ncsu.edu

At the Poole College of Management, we instill an entrepreneurial mindset in all our students, so that each of them will bring creative and innovative thinking to bear on business problems. We build analytical skills into every program, so graduates leave here ready to lead — whether in a two-person tech startup or a Fortune 500 boardroom. We're also deeply rooted in NC State's history as a university that excels at science, technology, engineering and math. The result: a dynamic research and learning environment for our students and our partners in business and industry.

The Poole College of Management was founded in 1992 as NC State's first College of Management. The college is fully accredited by the AACSB. Poole Jr.); Zelnak Dean's Chair 2014 (Stephen P. Zelnak Jr.).

Words by Alvin M. Fountain, Class of 1923

Music by Bonnie F. Norris Jr., Class of 1923

Where the Southern winds softly blow
O'er the fields of Caroline,

There stands ever cherished, N.C. State,
as thy honored shrine.

So lift your voices! Loudly sing,
From hill to oceanside!

Our hearts ever hold you, N.C. State –
In the folds
Of our love and pride.

Congratulations, Graduates!
